Scheduling Agreement

Search and Identify:

1. Workbench Orders and Releases

or

2. New Orders

The screenshot displays the SAP Business Network interface for an Enterprise Account. The navigation bar includes Home, Enablement, Discovery, Workbench, Orders, Fulfillment, Invoices, Payments, Catalogs, Reports, and Assessments. The main content area features a 'Orders and Releases' dropdown menu with a '1' indicator, and a search bar with filters for 'Orders and Releases', 'Rolls-Royce Solution...', 'Exakte Übereinstim...', and 'Bestellnummer'. Below this is a summary dashboard with five key metrics: 27 New orders (Last 31 Tage), 90 Orders (Last 31 Tage), 0 Pinned documents, 13 Changed orders (Last 31 Tage), and 43 Items to ship (Last 31 Tage). A 'Meine Widgets' section contains a 'Bestelllaufträge' widget showing a total of €2.87M EUR and a line chart for Jan, Feb, and Mar. The 'Aktivitäten-Feed' widget lists four order events: 'Bestellauftrag geändert', 'Bestellauftrag erhalten', 'Bestellauftrag geändert', and 'Bestellauftrag storniert', each with a timestamp and value. The 'Unternehmensprofil' widget shows a 15% completion rate and a prompt to complete the profile.

Scheduling Agreement

Search and Identify:

3. Enter scheduling agreement number (partial or exact match)

If searching for an exact match, you have to enter all characters (e.g.

000513814200010FOR)

or

4. Click directly on desired scheduling agreement number.

The screenshot shows the SAP Business Network 'Orders' page. At the top, there are navigation tabs: Home, Enablement, Discovery, Workbench, Orders (selected), Fulfillment, Invoices, Payments, Catalogs, Reports, and Assessments. Below the navigation is a summary bar with seven cards showing order statistics for the last 31 days: 11 Orders, 43 Items to confirm, 43 Items to ship, 0 Return items, 27 New orders, 13 Changed orders, and 0 Orders to invoice. Below this is a filter section for 'Orders (11)'. The filter includes 'Filter bearbeiten', 'Last 31 days', and 'Scheduling agreements only'. There are input fields for 'Customers' (with a search icon), 'Order numbers' (with a search icon and a circled '3' next to the 'Exact match' radio button), 'Creation date' (set to 'Last 31 days'), 'Order status' (set to 'Include'), and 'Company codes' (with a search icon). Below the filter is a 'Mehr anzeigen' link. At the bottom is a table with the following data:

Order Number	Customer	Amount	Date	Order Status
000513824000010FOR 4	Rolls-Royce Solutions - TEST	€491.2 EUR	Feb 5, 2024	New
000513828000010FOR	Rolls-Royce Solutions - TEST	€7339.2 EUR	Feb 20, 2024	Changed
000513828300010FOR	Rolls-Royce Solutions - TEST	€22104 EUR	Feb 20, 2024	New
000513827200010FOR	Rolls-Royce Solutions - TEST	€9662.85 EUR	Feb 21, 2024	Changed
000513827300010FOR	Rolls-Royce Solutions - TEST	€8637.69 EUR	Feb 22, 2024	Changed

Scheduling Agreement

Search and Identify:

5. Clicking “Show More” opens more filters.

6. Here you can click on “Order Type” to filter by “Scheduling Agreements Only”. Confirm application of the filter by clicking “Apply”.

7. Overview of all scheduling agreements

90 Orders | 43 Items to confirm | 43 Items to ship | 0 Return items | 27 New orders | 13 Changed orders | 0 Orders to invoice | 0 Orders to Summary invoice | 0 Orders with service line

This Scheduling Agreement Release was sent by Rolls-Royce Solutions - TEST AN01763479635-T and delivered by SAP Business Network.

Scheduling Agreement

Item and line level

3. The commitment level indicates whether you have either a “Firm” production release or article release for the line concerned or whether it relates only to a demand “Forecast”.

Note: you can only send notifications for lines for which you have a firm production release.
