

ESG Code (Environment Social Governance Code)

1. Compliance with human rights and environmental requirements and prohibitions in the supply chain

Subject to the applicable laws, the unconditional basis for the business relationship with the companies of the Rolls-Royce Power Systems Group is the protection and observance of the following protected human rights and environmental interests not only by the direct contracting partner of the Rolls-Royce Power Systems Group ("Contractor") itself, but also along its supply chain. This includes in particular the observance of the protected human rights and environmental interests and the prohibitions, as listed below, to which reference is made in section 2 of the Act on Corporate Due Diligence in Supply Chains (*Lieferkettenschutzgesetz* - "LkSG") of 16 June 2021; this also includes the conventions listed by reference in section 2 LkSG and nos. 1 – 11 of its Annex and the protected legal positions specified therein:

- 1.1. The prohibition of the employment of a child under the age at which compulsory schooling ends according to the law of the place of employment, provided that the age of employment is not less than 15 years, except where the law of the place of employment so provides in accordance with Article 2(4) and Articles 4 to 8 of Convention No. 138 of the International Labour Organization of 26 June 1973 concerning the Minimum Age for Admission to Employment (Federal Law Gazette 1976 II pp. 201, 202).
- 1.2. The prohibition of the worst forms of child labour for children under 18 years of age; in accordance with Article 3 of Convention No. 182 of the International Labour Organization of 17 June 1999 concerning the Prohibition and Immediate Action for the Elimination of the Worst Forms of Child Labour (Federal Law Gazette 2001 II pp. 1290, 1291) this includes:
